SCORPION SECURITY PRODUCTS | **SECURITY DISPENSER**

SECURITY DISPENSER FOR WINE/LIQUOR

REDUCE SHRINK, KEEP PRODUCT ON THE SHELVES

Wine and liquor are among the most commonly stolen items in the food and beverage sector. Be proactive against protecting these readily available, easily concealed items with Scorpion's Security Dispenser, proven to reduce shrink.

Anti Sweep Solution
Prevents multiple bottles from being 'swept' from shelves at once

Side Pusher
Pusher feature allows for dispensing of 1 product at a time

Customizable
Fully customizable for bottles of all sizes

Front-Loading
Load products with ease through front of dispenser

Individual Units
Available in individual facing cartridges to accommodate customer requirements
