**DON'T JUST  
REDUCE THEFT,  
ELIMINATE IT.**

## SCORPION IS THE WORLD LEADER IN RETAIL DISPLAY SECURITY.

At **Scorpion Security Products**, we stand for innovation, reliability, and partnership. As a globally trusted leader in retail security solutions, we empower retailers to protect their assets, reduce theft, drive down costs, and elevate the customer shopping experience.

What sets us apart?

- **Unmatched expertise**
- **Innovative and patented solutions**
- **Customer-centric design strategy**
- **Accelerated speed to market**

Retailers around the world trust us because we are not just a vendor—we are your partner in protecting what matters most to your business and your customers.

Pete Gulick, *Founder/CEO*

## CUSTOM SOLUTIONS AND PROTOTYPES

## INDUSTRY LEADING EXPERTISE AND INNOVATIVE SOLUTIONS

- Our engineering team, with 75+ years of experience, delivers expertise you can trust
- In house custom design and engineering solutions
- In house fabrication capabilities and speed-to-market solutions

**Choose Scorpion for tailor-made security solutions designed to meet your needs.**

**“WE ARE CONSTANTLY INNOVATING... ALWAYS STAYING AHEAD OF THE CURVE.”**

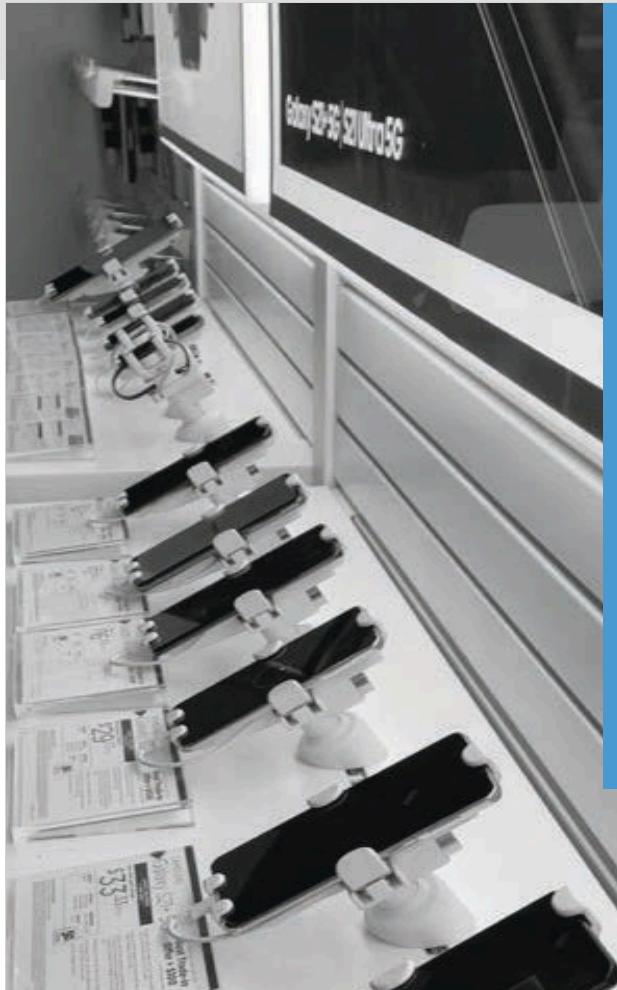

# CORE PRODUCTS

The Original Scorpion is an enduringly popular classic. Incredibly effective at theft prevention and surprisingly easy to install, the Original Scorpion engages your customers with thoughtfully designed features to help you sell more while losing less.

Scorpion Select — our highest security product line yet, with tool-less installation that can be completed in seconds flat and customer engagement features to help you sell more. The future of retail security is here. Are you ready?

Protect and display smartphones, flip phones and hot spots with universal designs featuring our patented Easy Removal System (ERS) that makes taking product off displays a snap.

## SCORPION SELECT XL PHONE

- **Universal Design-** Secures all mobile devices on the market, including larger-style devices 7.1" and up
- **Enhanced Experience -** The slightly offset top legs allow full exposure to the back of the camera, enabling customers to fully experience a key smartphone feature that influences their purchasing decision
- **Installation -** Complete installation in under 1 minute

## ORIGINAL 4 POINT XL PHONE SCORPION

- **Maximum Security** - Designed with four points of security with leveling plate, providing the highest level of security for mobile phones
- **Universal Design** - With adjustable legs, it securely accommodates mobile phones of all shapes and sizes
- **Quick and Easy Installation** - Installation process is simple and can be completed in under 2 minutes

*Available in black and white.*

## ORIGINAL SAMSUNG GALAXY Z FOLD SCORPION

Scorpion offers a wide range of highly secure merchandising solutions proven to completely eliminate theft.

- **Custom Solution** - Designed to secure Samsung Galaxy Z Fold

## ORIGINAL SAMSUNG GALAXY Z FLIP SCORPION

Scorpion offers a wide range of highly secure merchandising solutions proven to completely eliminate theft. Complete installation in under 2 minutes.

- **Custom Solution** - Designed to secure Samsung Galaxy Z Flip

# TABLETS

**“YOUR PRODUCTS AND SERVICES ARE THE BEST.”**

“We have had zero theft since we installed your products, zero, and we have stores in very high-theft locations. I mean, theft has legitimately stopped. I am encouraging the entire team to move completely away from our current security, which is from one of your competitors. Your products and services really are the best. We absolutely love them, can't thank you guys enough.”

*PURCHASING MANAGER*

## SCORPION SELECT TABLET

- **Universal Protection** - Secures any and all size tablets without compromising device functionality
- **Quick Installation** - Complete installation in under 2 minutes
- **Rotating base** - The rotating base allows customers to engage with all device features in both vertical and horizontal views

## SCORPION SELECT MAGIC KEYBOARD

- **Custom Fit with Practical Access Feature** - Tailored to secure iPad Pro 11" and 12.9" with Magic Keyboard, and Apple Magic Keyboard, this product features access windows for power, volume, and speakers, along with openings on the back for the camera
- **Consumer Engagement** - Pivot points allow for full interaction with device — screen can open and close without threat of cut and runs
- **Tool-Free Installation** - Install in under 2 minutes

## ORIGINAL 4 POINT TABLET SCORPION

- **Universal Design** - Designed with four points of security with leveling plate and adjustable legs, accommodating all tablets shapes and sizes
- **Quick Installation** - Complete install in under 2 minutes with four installation points for maximum protection, while the easy removal system makes it faster and easier to take products down for demos and overnight storage
- **Rotating base** - The rotating base allows customers to engage with all device features in both vertical and horizontal views

*Available in black and white, small and large.*

## SCORPION SELECT TABLE TOP

- **Security for Convertible Devices** - Designed for tablets with keyboards like Microsoft Surfaces and iPad Pros with our patented design that installs in mere seconds, requiring zero tools for a hassle-free setup.
- **Enhanced Keyboard Protection** - Security bar provides an extra layer of protection for the keyboard, ensuring that the device remains secure while allowing customers to fully interact with all tablet features

*Available in small and large.*

## SCORPION SELECT UNIVERSAL LAPTOP

- **No Screen Damage** - Ability to fully open and close laptop without screen damage
- **Versatile Protection** - Secures standard laptops of all sizes
- **Tool-Free Installation & Ventilation** - Its adjustable legs ensure a perfect fit, while the elevated stand allows for proper ventilation. Installation in under 2 minutes with zero tools required

## UNIVERSAL GAMING LAPTOP SCORPION

## SCORPION SELECT CONVERTIBLE LAPTOP

- **Universal Design** - One bracket accommodates most gaming laptops in the market
- **Versatile Protection** - Secures standard laptops of all sizes
- **Tool-Free Installation & Ventilation** - Its adjustable legs ensure a perfect fit, while the elevated stand allows for proper ventilation. Installation in under 2 minutes with zero tools required

- **Exceptional Merchandising** - Protects every type of convertible laptop and allows customers to fully interact with the devices' strongest selling points — fully open, close, and rotate 360°
- **Installation** - Installed with zero tools in under 2 minutes

## ORIGINAL WEARABLE SCORPION: APPLE WATCH

- **Design** - Accommodates Apple Watch sizes — 38mm-46mm
- **High Security** - Provides maximum security for display devices
- **Quick Installation** - Install and remove in under 2 minutes

*Available in black and white.*

## SCORPION APPLE WATCH ULTRA

- **High Security** - Provides maximum security for display devices, seamlessly integrates into all fixture types
- **Quick Installation** - Install and remove in under 2 minutes

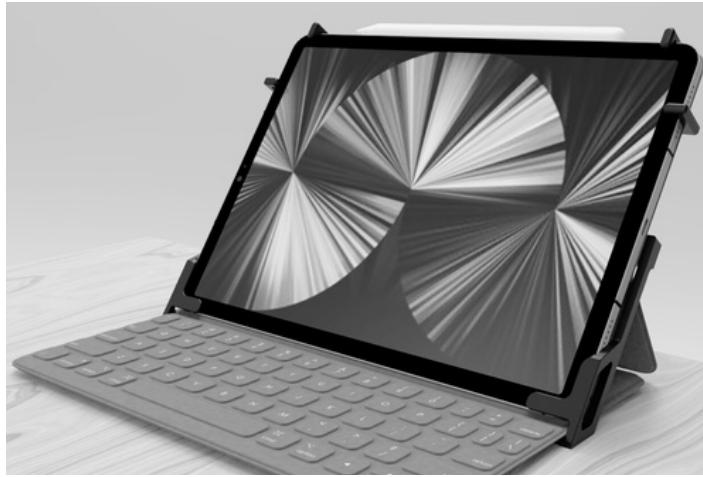

*Available in white*

## ORIGINAL WEARABLE SCORPION: SAMSUNG GALAXY ACTIVE2

- **High Security** - Provides maximum security for display devices, allowing customers to fully experience key features like the Samsung Health Monitor and ECG Monitor App
- **Quick Installation** - Install and remove in under 2 minutes

*Available in black and white.*

## SMART PEN

### SMART PEN SCORPION

• **Consumer Engagement** - This solution allows customers to fully explore the features of the Apple Pencil- such as tilt, pressure sensitivity, and tool changes- without compromising on security. It provides a seamless, hands-on experience while keeping the product safe from theft.

## CAMERA

### TOOL-LESS CAMERA SCORPION

The tool-less design integrates into all fixture types and secures cameras, camcorders and lenses. Easy Removal System (ERS) makes installation faster and easier than ever before. Sleek design elevates in-store merchandising displays and engages customers.

## CABLE SCORPION

- **Customization** - Customizable cable length and colors available
- **Safety & Security** - Provides maximum security for a wide variety of items while functioning as a safety compliance device. Its adjustable clamp width, ranging from 1.284" to 3.209", ensures a secure fit across different products
- **Save Money** - Product can be reused across all departments

## GOLF CLUB SCORPION

- **Theft Deterrent** - Designed for golf clubs with removable heads, this solution ensures both the club and shaft are securely locked. The small barrel lock and key allow for easy, controlled access by staff
- **Universal Design** - Solution fits all golf club drivers
- **Installation & AM/RF Technology** - Extremely effective with or without EAS (remove at door) system at the door. Install and remove in seconds

## SECURITY DISPENSER FOR WINE AND LIQUOR

**“THE FUNCTIONALITY IS EXACTLY WHAT WE’VE BEEN LOOKING FOR!”**

“We love the look of the bottle dispenser. We are having an issue with liquor loss right now and these units have helped reduce theft. The functionality is exactly what we've been looking for!”

*STORE MANAGER*

- **Anti-Sweep** - Side pusher feature dispenses one product at a time, preventing shop lifters from sweeping multiple bottles at once
- **Efficient Restocking & Front- Loading Display -** Angled front loading design allows for quick, easy merchandising and restocking
- **Customizable** - Fully customizable to fit bottles of all sizes and available in individual units

**“THE FUNCTIONALITY IS EXACTLY WHAT WE’VE BEEN LOOKING FOR!”**

“We love the look of the bottle dispenser. We are having an issue with liquor loss right now and these units have helped reduce theft. The functionality is exactly what we've been looking for!”

*STORE MANAGER*

## **SECURITY DISPENSER FOR BABY FORMULA**

- **Anti-Sweep Protection** - Prevents shoplifters from sweeping multiple items at once, ensuring that only one product is dispensed at a time
- **Efficient Restocking & Display** - The patented one-way design allows for quick restocking, saving time by eliminating the need to manually adjust merchandise on the shelf
- **Customizable** - Fully customizable to accommodate a wide range of container sizes, offering retailers flexibility in securing and displaying different products

# CONSUMABLES

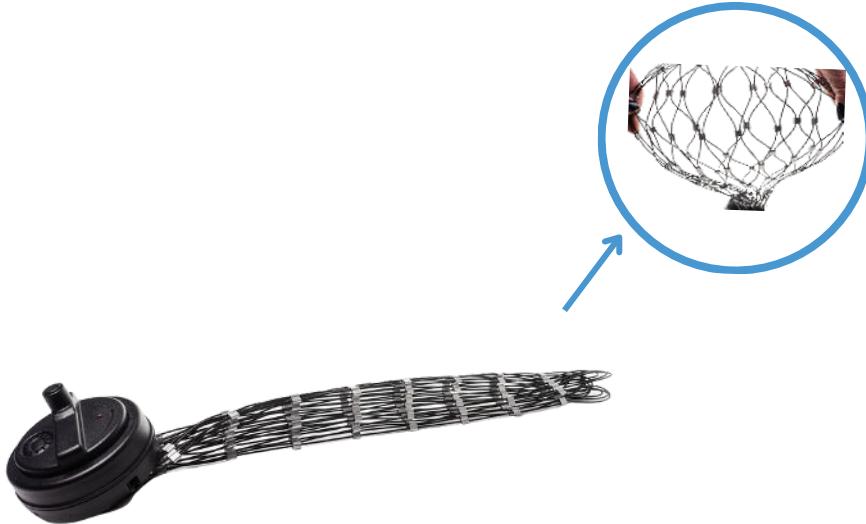

# SCORPION SECURITY WRAPS

## SCORPION SECURITY WRAP

- **Merchandise & Secure** - Available in various sizes (Mini, L/XL,XXL) to protect a wide range of products
- **EAS Protection/Alarming** - Prevent shoplifting with AM/RF Scorpion Security Wraps. Product alarms in cut and run attempts, and if not removed properly, will alarm upon reaching security gates
- **Reusable Design** - Ability to reuse product across various departments

### SCORPION SECURITY WRAP BAG

- **Versatile Product Protection** - Available in a 15" size, our wraps provide flexible security for a wide range of merchandise, ensuring all product types are effectively protected
- **EAS Protection/Alarming** - Prevent shoplifting with AM/RF Scorpion Security Wraps. Product alarms in cut and run attempts, and if not removed properly, will alarm upon reaching security gates
- **Retractable** - Cable retracts quickly and easily. Save time and prevent tangling through retracting feature. Install in just seconds

## EAS BOTTLE CAP SAFERS

- **Strong Theft Deterrent** - The visible, secured cap design effectively deters theft attempts, helping retailers protect valuable wine and liquor inventory
- **Bottle/EAS Protection** - Enclosed cap prevents bottle tampering or decanting, ensuring that products remain intact. Product alarms in cut and run attempts, and if not removed properly, will alarm upon reaching security gates
- **Quick & Easy Installation** - Extremely effective with or without EAS (remove at door). Install and removal takes seconds

## EAS CABLELOK

**Frequency** - 8.2MHz/58KHz  
**Cable Length** - 6" or 18"

- **Theft Deterrent** - Act as a visible deterrent to potential thieves, who are less likely to target products that they know are protected by a security tag
- **Easy to Use** - Install and remove in seconds, making them a convenient and effective security solution
- **AM/RF Technology** - Incorporates dual AM and RF technologies, product alarms at security gates in cut and run attempts, if not removed properly

### COAX CABLELOK

**Frequency** - 8.2MHz/58KHz  
**Cable Length** - 48" or 72"

- **Theft Deterrent** - Visible protection deters from theft attempts
- **Compatibility** - Seamless integration and durability
- **AM/RF Technology** - Extremely effective with or without EAS (remove at door) system at the door
- **Easy Installation** - Employees can install and remove in seconds

### MEAT TAG SECURITY

- **Versatility** - Choice to have tag displayed or hidden on packaging
- **Easy to Use** - Employees can install and remove in seconds, making them a convenient and effective security solution
- **AM Technology** - Incorporates AM (Acousto-Magnetic) security, if not removed properly, will alarm upon reaching security gates

## TUNA CAN SAFER

**Frequency** - 8.2MHz (RF)/58KHz (AM)

**Plastic Color** - Black

- **Enhanced Security** - Provides an additional layer of security to products, helping to deter shoplifters and reduce the risk of loss
- **Easy to Use** - Simple to install and remove. Staff can quickly and easily add or remove without disrupting the customer experience or slowing down the checkout process
- **AM/RF Technology** - Incorporates dual AM and RF technologies; product alarms in cut and run attempts

## PENCIL TAG (WITH OR WITHOUT LANYARD)

**Frequency** - 8.2MHz (RF)/58KHz (AM)

**Lanyard** - With or without lanyard options

- **Enhanced Security** - Provides strong security by deterring shoplifters and triggering alarm when unauthorized removal is detected, helping reduce loss and alert staff
- **Versatile & Lightweight Design** - Ideal for a wide range of products like clothing, bags, and accessories; offers flexibility to retailers with diverse inventories
- **Cost-Effective & Reusable** - Durable, reusable solutions that maximizes value by allowing retailers to enhance security measure without incurring high cost

## UNIVERSAL STOP LOCK

**Aperture Diameter** - 6 diameter mm

**Plastic Color** - Red, blue, yellow, black or customized

- **Enhanced Security & Tamper-Proof Design-** Provide an additional layer of security to products and prevents tampering, ensuring high-value products remain secure

- **Versatile Protection Across Product Types-** Suitable for a wide range of products, from clothing to accessories, displayed on hooks, offering flexibility for various retail setups

- **Easy to Use & Cost-Effective** - Install in seconds.

Durable and reusable, saving time and provides long-term, cost- effective security solutions for retailers

**PATENT  
PENDING**

## SCORPI-CAN SAFER

- **Enhanced Security** - Prevents in-store and underage consumption. Will alarm at gate if not properly removed at checkout by store associate

- **Versatility** - Sleek design allows for ample space between shelves in coolers no matter the height of the can

- **Universal Design**- Universal design secures all standard can sizes with a single, adaptable SKU

PATENT  
PENDING

1 SKU ACCOMMODATES A WIDE RANGE OF PRODUCTS

PATENT  
PENDING

## GIFTGUARD

- **Fraud Deterrent** - Prevents tampered cards from being placed back on the shelf
- **Durability** - Proprietary design to ensure longevity and durability of the product
- **Easy Installation** - Employees can install and remove in seconds

## ADJUSTABLE SAFER

- **AM/RF Technology** - Prevent theft and reduce the risk of loss by deterring shoplifters. Will alarm if not properly removed at checkout by store associate
- **Masterful Merchandising** - Sleek and light weight design allows for exceptional merchandising
- **Easy Installation** - Install in seconds

## SPINTAG HOOKS

### SPINTAG PEG HOOK

- **Theft Deterrent** - Visible protection deters theft, giving retailers confidence that their merchandise is secure
- **Versatile** - Easily adapts to both pegboards and slat wall displays
- **Installation & Ease of Use** - Install in seconds with tool-free installation and rotating tag holder

### SPINTAG PROTECTPIN

- **Theft Deterrent** - Visible protection effectively prevent theft attempts
- **Gondola Stability & Security** - Designed to reinforce the safety and stability of gondola shelving units
- **Durable & Ease of Use** - Built with durable materials, no tools required ensuring installation in just seconds

## BLISTER SPINTAG

- **Reliable Theft Deterrent** - Visible security feature effectively deter theft attempts
- **Auditory Alert** - Internal spring emits one of three sound levels (soft, normal and louder) when rotating the button clockwise
- **Product Visibility & Engagement** - Boost product visibility and increase customer engagement, making it easy for shoppers to access essential items

## SAFER SPINTAG

- **Enhanced Theft Protection** - The visible secure locking mechanism acts as a strong deterrent against theft, giving retailers peace of mind
- **Product Visibility & Engagement** - Elevates the shopping experience by keeping products in view, increasing customer interaction
- **Quick & Easy Application** - Designed for fast, tool-free application. Complete installation in just seconds
